ELITE CUSTOM HOMES

ELITE CUSTOM HOMES is a company dedicated to building creatively designed, quality homes. Established in 1984, Elite Custom Homes has built over 300 homes in and around Fresno.

Elite Custom Homes is owned and operated by Gary Gomes, Jr. and LeRoy Goossen, Jr. The company was originally formed in 1984. Gary Gomes, Jr. is a 1984 graduate of California Polytechnic University at San Luis Obispo, where he received his Bachelor of Architecture Degree, successfully completed all California State Architectural Boards and later acquired his contractor's license. LeRoy Goossen, Jr. is a 1985 graduate of California State University of Fresno, where he received his Bachelor of Arts Degree in Construction Management, and obtained his contractor's license in 1983.

Gary Gomes, Jr. and LeRoy Goossen, Jr. were sophomores in high school where they met in a drafting class at Clovis High School. Their backgrounds fit into the natural division of labor they have worked out for their partnership. Gary Gomes oversees design and customer contact, Robin Gomes of Artistic Interiors coordinates colors and interior details, and LeRoy Goossen handles construction coordination, inspections & follow up.
